The Dunellen Recreation Department & Parks Commission strives to provide athletic activities and special events to enhance the experience of all Borough residents and its youth. These programs take place at Faber School, Dunellen High School, Columbia Park Sports Complex and Gavornik Park. At times special events may take place at Washington Memorial Park. Some adult programs and sports are also available through Parks & Recreation. Recreation is always looking for good coaches and coordinators to maintain and improve its programs. In order to be selected as a coach you have a Criminal Background Check and Rutgers Safety Certified.
